

American Landmark

Qualities Of Lifestyle.

An extraordinary attention to design, detail, and quality are everywhere to be found at Schaefer Landing. The lobby, with its sophisticated interplay of slate, stone, and wood also features a floating metallic ceiling, a wall of light, and multiple floor mosaic insets by American artist Pamela Nelson. It is a remarkable study in contemporary elegance, and is concierge-attended 24/7. The private, lushly landscaped courtyard and roof deck offer soothing, restorative retreats—perfect for relaxing and enjoying the stunning city views across the river. Inside and out, Schaefer Landing offers a life of comfort and luxury.
