RE: John C. Lincoln Hospital - Deer Valley

Dear Philip,

I would like to take this opportunity to thank you and your staff for the outstanding Service provided on the above project.

This was my first dealing with your company and a project requiring this detailed a Design with VCT. I was frankly overwhelmed when I opened the drawings.

With the quality of workmanship you provided, and the detailed/numbered plan Which accompanied the cut tiles, the installation was easy and foolproof.

Again, thank you and your staff for the outstanding service. I am looking forward, With much more confidence, to our next project.

As promised, I am enclosing copies of the photos we took at the job site, and the article Published in the Arizona Republic Newspaper.

Sincerely,

Ursula E. Bevell
